VOTE FOR THE BEST IN 1988

Computer Leisure Awards

For the flast time ever, you will be able to join with the readers of many other British magazines to decide who and what was best in 1968. Awards will be made to software producers resulting from your voting through, this, your own magazine, for what you make the producers of the part of the producers are not produced to your own the producers.

Many other magazines are carrying this voting form. It means the results will truly be democralic, and therefore really mean a lot to those who receive them.

The votes will be collated by an independent company, to whom you should post you have the control of the control of

together' — Computer Arena — in March 1989. So, simply fill-in the voting form below, cut it out (or photocopy it) and send it to:
